

Digital central office switching systems, which have RUS acceptance, are listed by software generic. To bid generics which are not listed requires an approval to bid. Such an approval can be obtained up to five years prior to the general availability of the generic. An unlisted generic may not be delivered to an RUS funded site until it receives full acceptance.

APPROVAL-TO-BID STATUS OF DIGITAL SWITCHING SYSTEMS			
Manufacturer	Model	Software Generic	Expiration Date ⁽¹⁾
AG Communications Systems	GTD-5EAX		
Lucent Technologies	5ESS-2000
